Lamb of God, Holy Lord and God, receive the prayer of our need. Have mercy on us all.

You Holy Trinity, blessed be you, on the sake of the Lamb.

Holy, Holy, Holy Lord God Almighty, all the earth is filled with His glory.

Praised be the wounds of the Lamb who bears our sins.

Lord, God, Holy Spirit,

direct your heart and memory to the side wound.

We would all be saved by our crimes except that you have punished for us the world.

Lord God, Son of the World!

With this at all times and hope for mercy,

We thank the patient and merciful for the whole world. Day we consider our selves

Remember the better death of your son, look at his feet, holy red wounds which
